

HSEQ Policy

Mario and Sons Steel Fabrication is dedicated to delivering quality products and services, as well as providing and maintaining a safe and healthy working environment for all Mario and Sons Steel Fabrication employees, contractors, and visitors for the prevention of work-related injury and ill-health and to promote overall wellbeing.

Mario and Sons Steel Fabrication senior management commits to the promotion of a health and safety culture at all locations of Mario and Sons Steel Fabrication operations. The responsibility to maintain WHSEQ performance falls on all individuals within the organisation who are required to always strive for high safety standards for themselves, their colleagues, and those to whom they are responsible.

It is for this reason that Mario and Sons Steel Fabrication commits to:

Work health, safety and environment

- Adherence to the current legal requirements including legislation, relevant codes of practice and relevant standards (Australian and international)
- The management of hazards through eliminating or reducing WHSE risks in accordance with the hierarchy of controls
- The protection of the environment and prevention of pollution
- Establishment of consultation methods to ensure consultation with and participation of all Mario and Sons Steel Fabrication personnel including non-managerial personnel

Quality

- Ensuring high quality in its delivery of products and services which meets the need of customer needs and expectations

General

- The continuous process of monitoring, assessing, and critiquing the Mario and Sons Steel Fabrication IMS to ensure its relevance and effectiveness
- Ensuring WHSEQ Policy is made available to all personnel, contractors, visitors
- Maintaining certification to international standards ISO9001:2015, ISO 45001: 2018, and ISO14001:2015

The current WHSEQ policy is made available to all interested parties upon request.
